Showers | Experience

An Unparalleled Variety Of Showers

Showering today has transformed into a spa experience that relaxes your body, mind, and soul; in short, it is an energy-boosting that compensates for a relaxing massage. Speed Bath Tech wants to only better the hours you spend in your shower with its exquisite range of Shower Systems. These shower systems are designed keeping two key factors in mind – the flexibility to give you what you want and the functionality of the latest technologies.

A complete range of
drops to choose from

Aesthetics & Engineering

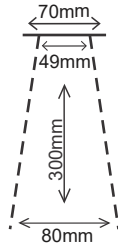

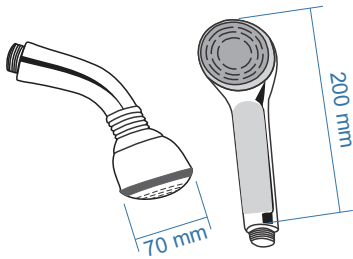

Our range of Shower Systems are characterized by clean lines and distinctive aesthetics that enhance your bathroom space by combining innovative engineering and flawless material with unique and breath-taking designs.

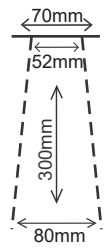

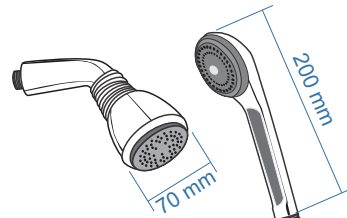

Easy Clean Showers
Our Easy Clean Shower Technology is based on RCS (Rabbit Cleaning System) engineering. A simple rub along the food-grade silicon, ensures years of clean & healthy bathing experience.
